To: Town Manager, Sophie Wilson
From: Chief Nathaniel Goodman
Re: Body worn camera capital purchase recommendation

Hello Sophie,

After opening and analyzing the body worn camera capital budget request for proposals from the companies that submitted bids, I would recommend that the Town accept the bid from Motorola Solutions in the amount of \$154,260.00.

We have worked with this company in the past and have found their customer service and technical support to be fantastic.

Based on conversations we have had with their engineers, they are recommending that we upgrade our in car mobile data terminals to best handle the up and downloading of the video footage.

Based on their recommendation we had one company submit a reply for this portion of our capital program and that was Northeast MDT LLC.

Northeast MDT will supply us with 6 new Mobile data terminals at the cost of \$35,991.54. (We had purchased 3 new MDT's from Northeast MDT over the past few years and have found them to be an outstanding company to work with as well.)

FREEPORT POLICE DEPARTMENT
16 MAIN STREET • FREEPORT • MAINE 04032 • (207) 865-4800

The total for the cameras and MDT's will be \$190,251.51

I am available to answer any questions that you, the town council or public may have regarding this expenditure.

Best,

Chief Nathaniel Goodman

Town of Freeport Bid Tabulation Sheet
