

Town of Freeport Bid Tabulation Sheet

Bid Number: 2025-0014

Department Town Manager's Office

Bid Date: 4/30/2025

Budget Town of Freeport Operating Budget

Description

The Town seeks cost-efficient proposals to provide a range of professional engineering services on an as-needed basis. The Town anticipates awarding as many service agreements as necessary as a result of this RFP process to secure necessary professional engineering services to meet the full range of municipal needs. Firms may be contracted to provide one or more technical services, including but not limited to development review and construction oversight, Transportation planning, design, and management; Municipal facilities, including preparation of site and infrastructure plans; Environmental, including stormwater and waste management; and General services.
